

Rebuilding Ukraine with the private sector: International Investment Fair

On September 29, the Government Investment Promotion Office UkraineInvest and the International Chamber of Commerce will promote the international forum “Rebuilding Ukraine with the private sector: International Investment Fair”. This initiative is aimed at finding investment projects for the reconstruction of Ukraine.

During one day, a series of discussions with more than 20 speakers will include government officials, representatives of international organizations, global and Ukrainian companies and investment communities. The President of the Ukrainian Chamber of Commerce and Industry, Gennadiy Chyzykov, will be one of the speakers at the session “Ukraine’s investment market: current state and forecasts”.

All event participants will have the chance to learn more about investment projects in agro-processing, logistics, production of building materials for a total value of more than 1 billion US dollars. The implementation of these projects will become an integral part of the recovery plan, the development of entrepreneurship and the involvement of Ukrainian companies in regional and global supply chains.
